

Solar Module Manufacturer Day4 Energy to Provide Strategic Business Update on Tuesday, December 23, 2008

BURNABY, BC – December 22, 2008 - Day4 Energy Inc. (TSX: DFE), a leading manufacturer and designer of high performance, cost-effective solar electric modules, today announced that it will hold a conference call to update its business strategies before market open on Tuesday, December 23, 2008. Investors may access a live web cast of this conference call through the Company's web site at www.day4energy.com.

To access the conference call in the U.S. and Canada, dial 1-800-319-4610. For calls outside of Canada and the U.S., dial +1-604-638-5340. The call will begin at 5:30 A.M. Pacific (8:30 A.M. Eastern). Please dial in 5 to 10 minutes prior to the scheduled start time and ask for the Day4 Energy conference call.

About Day4 Energy:

Day4 Energy Inc is Canada's largest manufacturer of high performance photovoltaic (PV) modules for residential, commercial and utility scale installations around the world. By fundamentally improving on the design and assembly of solar modules, Day4 Energy produces unique PV panels of high power density, increased lifetime and uncompromised aesthetic appearance. Day4 Energy partners with international technology leaders to develop and deliver IEC- and UL-certified solar products to customers throughout Europe and North America.
